LAZY RIVER RIDERS

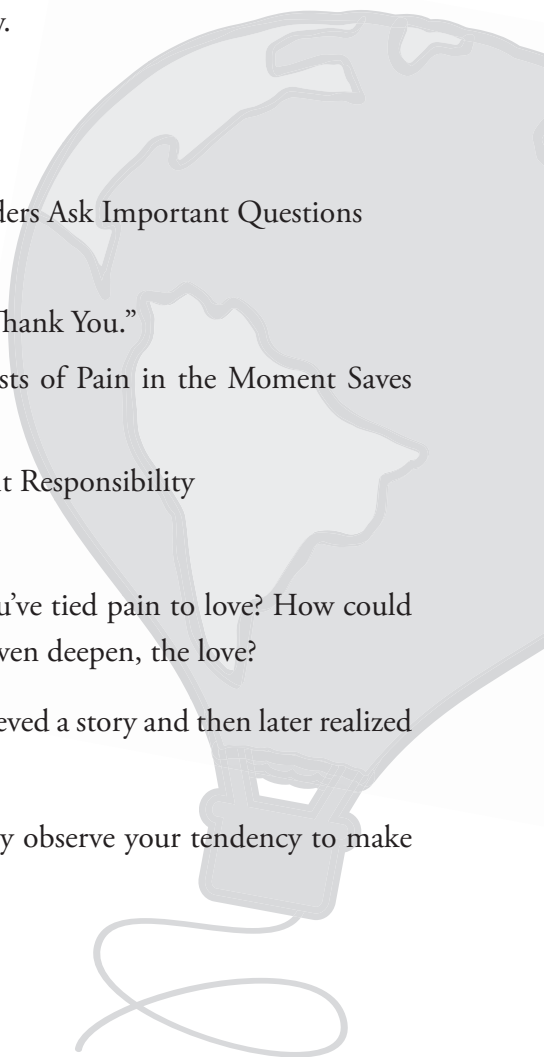

What are some situations in which you've tied pain to love? How could you let go of the pain now and keep, even deepen, the love?

Recall times when you'd created or believed a story and then later realized that you had it wrong?

Today and in the next few days, closely observe your tendency to make up stories.

SNORKELERS

Write in your journal about the above.

DEEP DIVERS

Jot down some “negative” events that still cause you pain, knowing that you are now developing the power to remove whatever sting remains from them.

Inspired now? No need to wait. If you're feeling it, now's the time to act. Go to TheArtOfSpiritualLeadership.com/Presents for reader's only inspired bonus material, to discover your unique Spiritual Entrepreneur Style or to schedule a complimentary strategy session with Daniel now.
